

## EDITORIAL

Welcome to this year's Show Schedule.

Last year's Show Schedule contained a considerable number of changes; this year's edition has some minor, but hopefully beneficial refinements. These include:

- In some classes reducing the number of stems/blooms in order to make it easier to enter them.
- Every entry in the non petite classes of the Flower Arranging Section qualifying for a payment of £2 in addition to any prize money which is won. The payment is in recognition of the high cost of flowers.
- The introduction of some new classes, for example:
  - Spring Show class 10, "One bloom of the daffodil 'Pink Silk'". So all of you who bought any of these bulbs as a result of the successful special promotion by the Society, do not forget to put in your entry (for which no entry fee is payable)!
  - Spring Show class 78 in the Flower Arranging Section, which is open to any member or non member who has never previously won a first prize for flower arranging.
  - Summer Show class 245, "Peas, one dish of six pods".
  - Summer Show class 247, "One pot containing one or more growing culinary herbs".
  - Autumn Show class 367, "Grasses, one vase".

If you have any suggestions for future changes please let me know.

May I also draw your attention that on page 8 you will find that there is an additional date on which the Sundries Centre is open (Saturday 16th October) compared with the list on your membership card. This is in response to requests from members.

Have a good horticultural year and I look forward to seeing your exhibits at our shows.

## SHOW RULES

1. Unless otherwise stated in the schedule as 'OPEN TO ALL', all exhibitors, other than children, must be current members of the Society.
2. The Committee reserves the right to refuse any entry and, in the event of such refusal, it is not required to give any reason or explanation.
3. No exhibitor may make more than one entry in any one class.
4. Where a number or quantity of plants, flowers, fruit or vegetables is specified in the schedule for a class, vase, dish or collection, neither more nor less than the number or quantity may be shown and an exhibit will be disqualified for any excess or deficiency.  
If, before an exhibit is judged, any excess or deficiency is noticed and considered to be the result of an accident and not of an attempt to deceive, the Show Superintendent, Show Secretary or steward may either give the exhibitor (if at hand) an opportunity to correct the mistake or correct it himself/herself but the officials shall not be under any obligation to do so and any disqualification resulting from an excess or deficiency shall be the exhibitor's responsibility. The judges may not correct any error but they may direct the attention of the Show Superintendent, Show Secretary or steward to it.
5. Any exhibit that does not conform to the wording of the schedule (unless corrected in accordance with Rule 4) must be disqualified and a judge must write on the entry card "Not according to schedule" (NAS) and add a factual note as to why it is marked NAS. Single dishes in an NAS collection cannot be considered for any other award.
6. Any prize may be withheld or modified if the exhibits are considered unworthy of the prize offered.
7. The decision of the judges shall be final on the relative merits of the exhibits, but the Committee reserves the right to refer any points in dispute to the Show Superintendent for a decision.
8. Any protest must be made in writing and delivered to the Show Secretary within one hour of the opening of the Show to the public.
9. After judging has taken place, no exhibit or part of an exhibit may be altered or removed until the end of the show, except by special permission of the Show Superintendent.
10. All exhibits, personal property, etc, shall be at the risk of the exhibitors and the Society shall not be liable for compensation for loss or damage from any cause whatsoever. Should a show for any cause not be held, no exhibitor shall have any claim on the Society.  
Exhibitors will be wholly responsible for all claims made by their own employees under the Common Law or under any statute for compensation arising out of or in the course of such employment for injury or otherwise. The Society has no responsibility to any but its own employees.
11. The exhibitor to whom a cup or other trophy is awarded must return it to the Show Secretary the following year prior to the appropriate show.
12. The prize for the best exhibits in the Flower, Vegetable (excluding collections), Pot Plant, Fruit, Cookery and Handicraft classes is £1.00.
13. Unless otherwise stated in the schedule, the prize money in all classes will be £1.00 for First, 60p for Second and 40p for Third.
14. Where cups or trophies are awarded for most points, these will be awarded on the basis of: 1st - 5 points, 2nd - 3 points and 3rd - 2 points. Collections and basket/trug classes are excluded. A 'Best Exhibit' will be awarded a further 3 points. In the event of a tie for an award decided on points, the winner shall be the exhibitor gaining the highest total amount of prize money, including the best exhibit prize money, in the classes for which the equal number of points has been awarded.
15. Unless the schedule specifically states otherwise, any plant, flower, fruit or vegetable exhibited must be the property of the person in whose name it is entered, and must have been grown by the exhibitor or been in his/her possession or cared for by him/her for at least two months prior to the date of the show. In the case of a professional gardener entering produce from the garden in which he/she is employed the exhibits must be entered in the name of the employer.
16. In order to be satisfied that the conditions governing exhibits are fulfilled, the Committee reserves the right for its official representative to visit by appointment, before or after a show, the gardens/allotments from which plants, flowers, fruit or vegetables have been entered for exhibition.
17. Unless otherwise stated in the schedule, two or more persons may not compete separately in the same class with produce from the same garden and/or allotment. They may however exhibit in joint names. An exception to this rule however applies in pot plant classes where two or more persons may exhibit separately in the same class a different kind of pot plant to those other members of the same household, provided that the exhibitor is mainly responsible for the maintenance of the plant.
18. All exhibits should be correctly named. Errors in naming will not disqualify the entry but the judges should regard correctness and clearness of naming as telling in favour of an exhibit in a close competition. If the exhibitor does not know the name of any cultivar, the label should bear the words "name unknown".

19. Plates will be provided by the Society where appropriate and must be used when shown in the schedule. The Society's vases must be used for all Flower classes except where otherwise shown in the schedule.
20. For the purpose of the schedule, a dish comprises a specified number or quantity of a fruit or vegetable.
21. Unless otherwise stated, the horticultural classes of the schedule will be conducted in accordance with the rules and standards contained in The Royal Horticultural Society's 'The Horticultural Show Handbook 2008 edition' except where, under the schedule, they obviously do not apply.
22. When staging an exhibit in 'any other vegetable' or 'any other fruit' classes, the exhibitor should contact the Show Superintendent to ascertain the quantities required.

Applicable to Flower Arranging Section only

23. With the exception of miniature exhibits entered into classes with a width restriction of 25.5 cm (10 inches) or less, all Flower Arranging exhibits must be arranged in the hall. Flowers and foliage need not be grown by the exhibitor unless otherwise stated in the schedule. With regard to the non petite classes only, in addition to any prize money each entrant will be entitled to a payment of £2 per entry.

Applicable to Cookery Section only

24. All exhibits must be made, cooked or prepared by the exhibitor. Jams, Marmalades and other Preserves - jar sizes are not to be less than 227g (½lb) with a transparent cover or, if preferred, new plastic-lined metal lids. Pickles and chutney must have new plastic-lined metal lids. Jars or lids must not bear any commercial names.
25. Cakes, Pastries, Sweets and Desserts etc. - entries should be covered with cling-film or similar protective cover. Where ingredients are optional and not part of a class recipe, exhibitors should indicate whether any nuts and/or cheese have been included.

Applicable to Handicraft Section only

26. All exhibits must have been made by the exhibitor.

Applicable to Handicraft Photography and Junior Sections only

27. All exhibits must not have been entered at any previous shows held by the Society.

Applicable to Wine and Beer Section only
